2. [redacted] Delivered to Clark McFadden, General Counsel, Senate Armed Services Committee, a paper requested by Senator John C. Stennis (D., Miss.) on current legislation of concern to the Agency. McFadden said he would summarize the paper and send the paper and summary to the Senator. I also raised with McFadden the Agency's concern with S. 664, which would prohibit United States advisers in Vietnam, Laos, or Cambodia. McFadden assured me that this bill had no chance before the Armed Services Committee. I passed this information to [redacted] EA/CI, who had expressed concern about the bill.

3. [redacted] Delivered to Clark McFadden for Ed Braswell, Chief Counsel and Staff Director, Senate Armed Services Committee, and to Guy McConnell, Professional Staff Member, Senate Appropriations Committee, replacement sheets on budgetary data provided by [redacted]

4. [redacted] Received a call from Frank Slatinshek, Chief Counsel, House Armed Services Committee, asking if we would provide him with a new copy of the "Guide to CIA Statutes and Law." I told him we would be glad to. We then talked about our response to the Committee on H. Res. 205 and I told him that it was currently on the Director's desk and should be in his hands sometime this afternoon. He said that was ample time.
